Subject: Re: Johns Hopkins Global Surgery Funding Opportunity
Date: Sunday, September 11, 2022 5:37:06 PM

Greetings!

The [Johns Hopkins Global Surgery Initiative](#) is pleased to announce a travel grant opportunity to support research projects that aim to improve health equity by increasing access to safe, timely, and affordable surgical, obstetric, and anesthesia care worldwide. Additional information is included below. Further details can be found in the full application, which is attached as a PDF to this message.

Thanks very much for your time and consideration — we look forward to receiving your proposal!

Sincerely,

JHGSJ

Who can apply: Residents (surgical, EM, OB/Gyn, anesthesia) and professional students (MD, PhD, DrPH, full- or part-time MPH, Master's, Nursing) who are currently enrolled at or affiliated with Johns Hopkins

Award amount: Up to \$4000

Submission deadline: October 17, 2022

How to submit: Please email compiled application materials to globalsurgery@jhmi.edu

Application requirements:

- Cover Letter (max 1 page)
- Project Proposal (max 3 pages, excluding references)
- CV
- One Letter of Recommendation from faculty mentor/advisor
- One Letter of Support or Project Endorsement from your project site
- Plan for obtaining IRB approval, if required for your project

Questions? Please email globalsurgery@jhmi.edu
