[Register Now!](#)

[Registration is now open](#) for the **Summer 2023 Internship Fair on October 25, 2022**. This event is sponsored by the U.S. Department of Energy (DOE), Office of Science, Office of Workforce Development for Teachers and Scientists. The Summer 2023 Internship Fair is organized in collaboration with DOE national laboratories and the Oak Ridge Institute for Science and Education. This exciting event features paid internship opportunities for 2- and 4-year undergraduates and recent college graduates, and visiting research opportunities for university faculty at the DOE national laboratories. Attendees can engage in real-time with scientists, engineers, and Human Resources representatives from DOE national laboratories across the country, past program participants, and program managers from the DOE Office of Workforce Development for Teachers and Scientists.

Faculty and students can register by clicking [here](#).

Additional information for internship programs can be found at <https://science.osti.gov/wdts/>. If you have any questions about the Summer 2023 Internship Fair or any of our programs, please contact sc.wdts@science.doe.gov.

We look forward to your participation.
