---

Hello Everyone!

We are hosting [Zoox](#) for a Company Info session on Thursday, September 22 between 12-1 pm at Charles Commons, Banquet Hall on Homewood Campus. Please let us know you are coming by [RSVP'ing here](#) (We need this for a headcount for food) by September 15.

Event: Zoox Company Info Session: The Future of Transportation & Autonomous Vehicles  
Time: 12:00-1:00 pm ET  
Location: Charles Commons Banquet Room  
Who should attend : Masters, PhD, Postdocs in All Engineering Fields & Computer Science

Overview:

Come grab some food and network with Zoox employees as we discuss Zoox' s mission, the challenges we're encountering in the industry, and the internship opportunities available in 2023.

About us:

Zoox is developing the first ground-up, fully autonomous vehicle fleet and the supporting ecosystem required to bring this technology to market. Sitting at the intersection of robotics, machine learning, and design, Zoox aims to provide the next generation of mobility-as-a-service in urban environments.

What you'll get out of this event:

- Free food!!
- Learn more about Zoox and our unique approach to launching an autonomous vehicle robo-taxi service
- Insight into the challenges and trends within the autonomous vehicle industry
- The ability to network with Zoox employees

Speakers and their credentials

Kyle Evans - University Relations Recruiter

Jessica Rivers - University Relations Program Manager

Marin Kobilarov - Principal Engineer at Zoox & Assistant Professor at Johns Hopkins University
